

PUSHERBOX SKID SHOES

The Simplest & Most Effective Skid Shoes

SAFE AND EASY IN THE FIELD ADJUSTMENTS

- **High Wear Protection** - Modular skid shoes filled with Winter® Carbide Matrix® engineered to outlast standard shoes. Unique design allows for adjustments as wear occurs for maximum use of material.
- **Increase Productivity** - Innovative design of the modular skid shoes allow for one-man installation and adjustments in the field.

WINTERFLEX® PUSHERBOX SHOE ACCESSORIES

- **Hardware**— 5/8" Steel adapter plate, Grade 8 nuts, bolts, and washers.
